Urbo è una storia che continua da 12 anni, il racconto di un'azienda Made in Italy universalmente riconosciuta per qualità e design. Ancora oggi, **Urbo** si distingue per il know-how nella lavorazione e nella durezza del metallo, per la passione e l'entusiasmo delle persone, patrimonio inestimabile dell'azienda. Il sapiente connubio tra innovazione tecnologica, saper fare artigiano e la stretta collaborazione con designer di fama mondiale, rende i prodotti **Urbo** delle soluzioni d'arredo perfette per ogni stile e ambiente.

URBO E L'AMBIENTE

L'attenzione che **Urbo** pone verso l'ambiente copre l'intero ciclo di vita del prodotto, dall'impiego di materiali riciclabili al 100%, come l'acciaio e l'alluminio, al riciclo ed alla minimizzazione degli scarti. Tutto il legno delle collezioni è teak FSC® 100%, ovvero proveniente da foreste gestite in maniera responsabile secondo rigorosi standard ambientali, sociali ed economici. L'azienda è anche impegnata nella riduzione costante dell'utilizzo della plastica negli imballi, composti da cartone riciclabile e dalle dimensioni sempre più contenute. La compatibilità ambientale di tutta la gamma **Urbo** è garantita da processi eseguiti all'interno dei propri stabilimenti ed è, inoltre, in sviluppo un impianto fotovoltaico da 1 megawatt entro il 2023, con lo scopo di alimentare l'azienda con energia Green. Urbo nei suoi 12 anni di evoluzione, rinnova sempre l'entusiasmo per l'innovazione e il rispetto per l'ecosistema. La lunga vita utile del prodotto riduce in maniera significativa l'inquinamento e l'impatto ambientale.

Urbo is a story that has been going on for 12 years, the tale of a Made in Italy company universally recognized for quality and design. Even today, **Urbo** stands out for its know-how in the processing and durability of metal, for the passion and enthusiasm of the people, an invaluable asset of the company. The skilful connection with technological innovation, craftsmanship and close collaboration with world-renowned designers, makes **Urbo** products the perfect furnishing solutions for every style and environment.

URBO AND THE ENVIRONMENT

The attention that **Urbo** pays to the environment covers the entire life cycle of the product, from the use of 100% recyclable materials, such as steel and aluminum, to recycling and waste minimization. The collections containing the wood are made of 100% FSC® teak, which means that it comes from forests managed in a responsible manner according to strict environmental, social and economic standards. The environmental compatibility of the entire **Urbo** range is guaranteed by processes carried out within its factories and a 1 megawatt photovoltaic system is also under development by 2023, with the aim of powering the company with Green energy. In its 12 years of evolution, **Urbo** always renews the enthusiasm for innovation and respect for the ecosystem. The long useful life of the product significantly reduces pollution and environmental impact.
